**VIVARIJ PROTEUS**  
VIVARIUM • VIVAIO • VIVARIUM

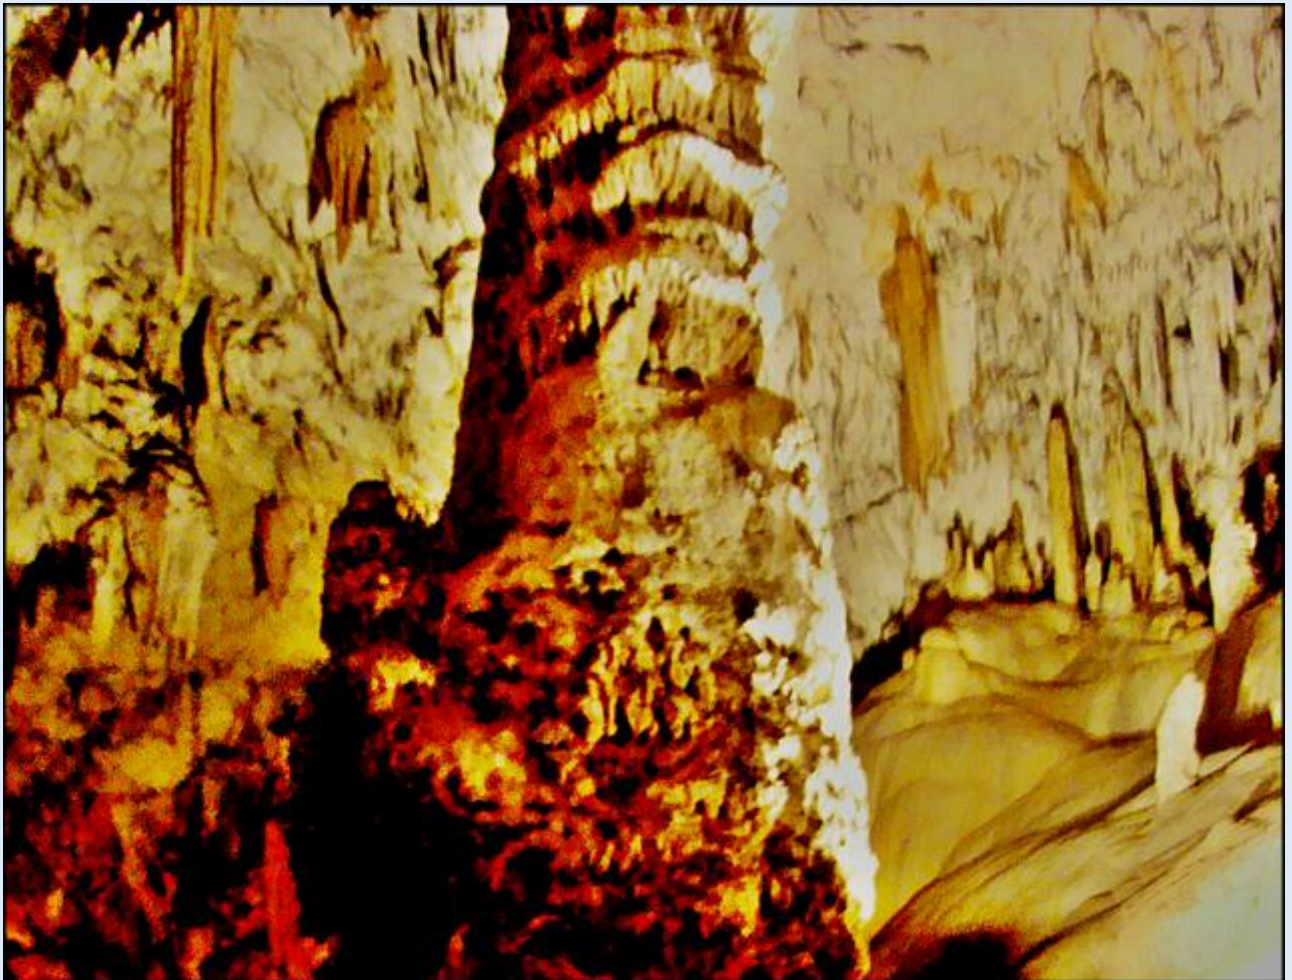

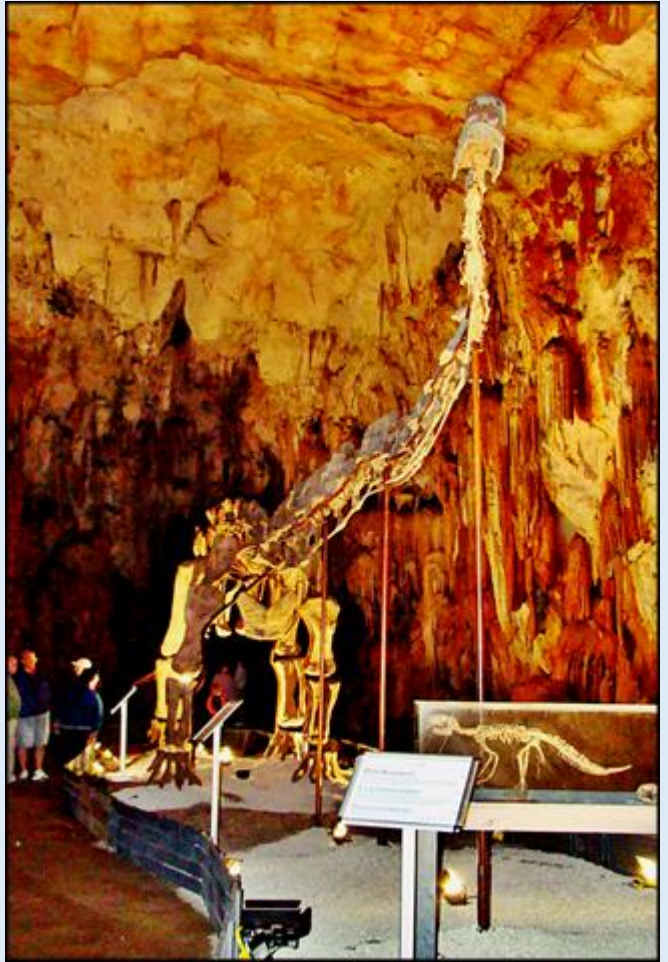

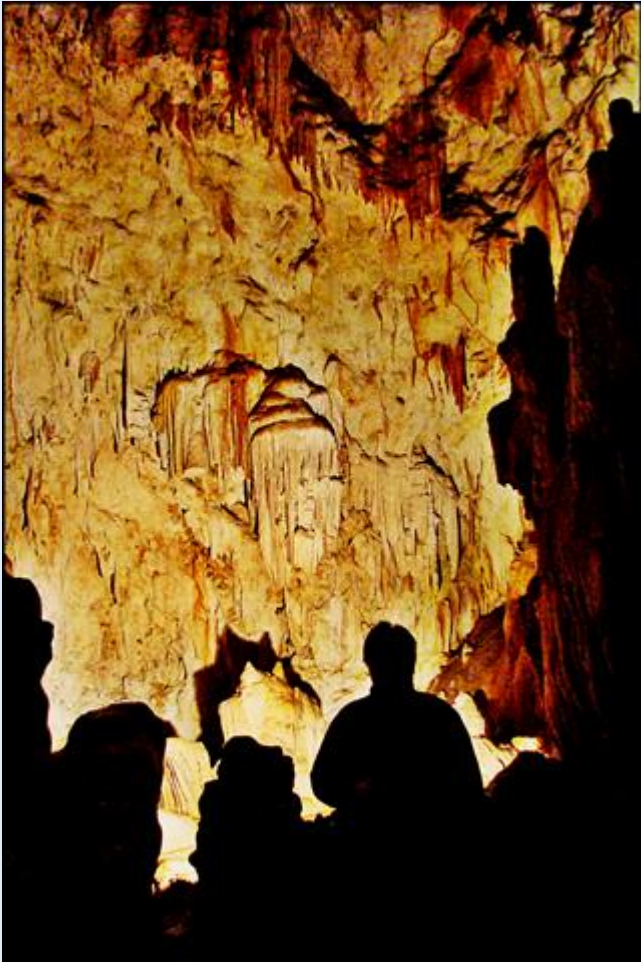

POSTOJNSKA  
JAMA  
LJUBLJANA • KRAS

The complex block contains a collage of images. The top left shows a cave interior with a walkway. The top right shows a white cave salamander (Proteus) swimming in a stream. The bottom left shows a large cave beetle. The bottom right contains the website address and the name of the vivarium in three languages: Slovenian, Italian, and Latin. The logo for Postojnska Jama is also present.
